About
KNCIGS

THE SCHOOL

School is located in a very calm and quiet locality and away from sound and traffic menace. School is housed in a very colossal architectural building, constructed on heritage concept. Classroom are spacious and exposed to very good light and air. Spacious playground is available for sports activity. Locality is in the proximity of residential area and well connected with public transport system.

Attractive Classrooms

VISION

Our vision is to create student-centric learning environment which is conducive and inspires our students to be more creative and knowledgeable. We give importance to the holistic development of every child especially in the field of intellectual, spiritual, moral, physical & social.

Dr. K.N. Chandrashekar
Chairman

Curriculum
